Introducing

LEO ARMOR

PROTECT YOUR INVESTMENT

Meet Leo Armor.

Our new, sustainably minded product, designed to protect your Leo in the field and in transport.

With our custom designed foam and connection points for wrist straps you can transport and scan without fear of damage.

With a mind toward sustainability and ecofriendly practice, the Leo Armor is made on demand.

Sleek. Effective. Innovative. Ecofriendly

Give your Leo the protection it deserves for a lifetime of use.
